

## NAWS-Europe Price List

After reconsidering proposed NAWS-Europe price changes (\$1 = 1 €) we decided to standardize pricing for one year (1 July 2009 through 30 June 2010), splitting the difference in price changes between NAWS and the local communities. During this time, we will further discuss fair and reasonable arrangements for all.

Item Description	in USD	May-09	New Pricing 1 July 2009- 30 June 2010
