

Collaboration: Small Group Discussion Questions

1.

A. In an ASC: How do you work together within the area? With your member groups, neighboring areas, and the region?

B. In an RSC: How do you collaborate within your region? With neighboring regions and members within your region? How does the region collaborate with NA World Services?

C. In a zonal forum: How do you collaborate within your zone? With your member regions and other zones? How does the zone collaborate with NA World Services?

2. How could you improve collaboration?

Collaboration: Large Group Discussion Brainstorm

3. How can you improve your area/region/zone's collaboration?

4. What gets in the way of effective collaboration?
