

## Annual Planning Assembly Survey

This survey is designed to gather information for our annual planning assembly. The survey asks you to share your experience on a number of topics. Each of the five pages that follow asks you to think about different aspect of NA and our environment: our membership, group issues, external trends, current services, and our relationship with regional and world services.

On each page there are several columns:

RATING	TOPICS	CHALLENGES AND ISSUES	POTENTIAL SOLUTIONS
--------	--------	-----------------------	---------------------

**Rating:** Please write a number in the rating column next to each topic using this five-point scale. If you don't know, please leave the item blank:

1 – Strongly disagree      2 – Disagree      3 – Neither agree nor disagree      4 – Agree      5 – Strongly agree

**Topics:** We have included a number of statements to consider. Please feel free to add any other topics you think are important.

**Challenges and Issues:** At the planning assembly we will prioritize the issues we, as a community, feel are the most important to address in the year ahead. Considering the topics already listed and any others we may have missed, use this column to list issues you feel are significant and may affect NA and our ability to carry the message.

**Potential Solutions:** At the assembly, we will also brainstorm solutions. You can get a head start by writing your ideas here. At the planning assembly, the results of these surveys will be considered by all interested addicts, and together we will brainstorm goals for the LSC for the year ahead. The survey can be completed by individual members, NA groups, or groups of trusted servants. Completed forms should be sent to the planning body by the requested date.
