Section One: The Basics (Procedures for Our Business)

Concept Three:

The NA groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it.

Who We Are

Definition:

The Vancouver Island North Powell River Area Service Committee (VINPRA) is a committee made up of Group Service Representatives (GSRs), Area Service Officers (“the Admin Committee”) and Subcommittee Chairpersons. It meets regularly to serve the specific needs of its member groups.

Geographical Boundary:

The geographical boundary of the ASC shall be defined in two ways: one for service responsibilities and two for group representation. Our service structure may be responsible for the northern portion of Vancouver Island, up to and including all points north of a line between Fanny Bay to the Northern end of Vancouver Island, The Northern Gulf Islands and as far west as Holberg and east to Powell River and surrounding area. The boundary is flexible and will be updated as new groups attend the ASC.

Who Makes Decisions and How Do We Decide?

Decision-Making Eligibility:

- a) All seated members of the ASC.
- b) Members of the ASC are strictly prohibited from making any decisions or entering, into any contracts on behalf of the ASC, without clear direction from the ASC body.
- c) The Public Relations facilitator may introduce proposals from groups that have no GSR. providing they have attended the group’s business meeting and are carrying the group’s conscience.

Making Decisions on Reports, ASC Guidelines and Elections

The treasurer report, acceptance of the minutes will pass with consensus of the ASC body.

All matters changing *VINPRANA Guidelines* will pass with a consensus. Changes to *Financial Guidelines* must be sent back to the groups for a group conscience prior to the decision.

Changes to Guidelines

Corrections to the *VINPRANA Guidelines* document with regards to grammatical errors, spelling mistakes, typographical errors, formatting, and layout design inconsistencies may be made as a Guidelines Committee decision, provided that the intent of the document is not changed.

Section Two: Choosing and Becoming a Trusted Servants: Election, Roles, and Responsibilities

Fourth Concept

Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.

When Does this Happen for Us?

Timing / Frequency:

In September of each year, ASC Admin Positions will be up for election:

- Facilitator
- Co-Facilitator
- Treasurer
- Secretary
- Regional Committee Member (“RCM 1”)
- Alternate Regional Committee Member (“RCM 2”)

In March of each year, ASC standing subcommittee facilitators will be up for election:

- Public Relations Committee Facilitator
- Literature Committee Facilitator
- Procedural Guidelines Facilitator
- Activities Facilitator
 - Recovery Under the Stars Facilitator
 - Last Chance Campout Facilitator
 - Camp Banarama Facilitator
- Subcommittee Treasurers (*requiring 5 years*)

Elections are held after the ASC meeting concludes.

Nominations and Election of Admin and Subcommittee Facilitators

Concept Four:

Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.

How Does This All Happen?

Nominations

- a) During the “Elections” phase of the ASC agenda, the facilitator will ask for nominations. All nominations, including self-nominees are accepted. The facilitator will ask the standard election questions of each candidate present for nomination. The candidates must be present for eligibility. Any N.A. member may nominate administrators or subcommittee coordinators.
- b) After the election questions are asked of each candidate, the ASC body will then be given the chance to ask any additional questions for the candidates.
- c) Administrators and subcommittee coordinators may serve a second term.
- d) All nominees must give verbal or written agreement to stand for election.
- e) All nominees are required to present a verbal or written resume of their qualifications for the position.
- f) The facilitator **will not** allow questions that are inappropriate.

Election

- a) ASC administrators and subcommittee facilitators are elected from members of Narcotics Anonymous who have prior service experience such as GSR, Group Secretary, Group Treasurer, and/or workgroup/subcommittee members.
- b) Elections of the VINPRASC administrators and subcommittee coordinators are held every two years.
- c) When an administrator or subcommittee coordinator resigns or is removed during his or her term of office and a new administrator or subcommittee coordinator is elected, this abbreviated term of office shall not count as a full term of office if it is less than six months of service.
- d) All elections will be conducted by secret ballot.
- e) Secret ballots will be counted by preferably two non-voting members.
- f) Upon election, administrators or subcommittee facilitators will resign as a GSR.
- g) No ASC member shall hold more than one ASC position at any one time, except for facilitating the appointment of a special committee or event.
- h) In keeping with our ninth tradition and the principal of rotating leadership, no administrator or subcommittee chairperson shall serve more than two consecutive terms.
- i) All ASC participants may vote during elections this includes all admin committee members, subcommittee facilitators and co-facilitators, GSR's and Alt-GSR's.

Resignation and Removal from Office

Our First Tradition concerns unity and our common welfare. One of the most important things about our new way of life is being a part of a group of addicts seeking recovery. Capable NA leadership exhibits the full range of personal characteristics associated with a spiritual awakening. We depend on those who serve us to report on their activities completely and truthfully. The development of a group conscience is an indispensable part of the decision-making process in Narcotics Anonymous; however, group conscience is not itself a decision-making mechanism. Developing a collective conscience provides us with the spiritual guidance we need for making service decisions.

Voluntary Resignation

Voluntary resignations are given in writing to the ASC facilitator in advance of the next ASC meeting.

Removal from Service

A person may be removed from service in the following situations: 1. Admitted interruption in clean time; 2. theft of misappropriation of VINPRASC funds.

[Refer to Bulletin #30](#)

Any elected administrator or subcommittee coordinator can be removed from their term of office by a 2/3 majority vote, by secret ballot, where the Administrator or subcommittee coordinator:

1 Failure to perform their duties. 2). Failure to attend and/or report to 3) consecutive, regularly, scheduled VINPRASC meetings.

NOTE: *In the event an elected administrator or subcommittee coordinator is on the edge of missing a 3rd consecutive meeting the Facilitator must contact the member and inquire as to why they have been unable to fulfill their duties. The member must be given the information on the consequence of missing a 3rd meeting and reminded of their position requirements.*

Administrator or subcommittee coordinator resigning or removed from office will not be eligible for election to any ASC position for six months.

NOTE: *when resignation is intended to facilitate a newly elected position with agreement of VINPRASC.*

Any office or committee position left vacant from an early resignation removal shall remain vacant for one month so that the vacancy may be announced to the Fellowship.

The operating budget will be open at the August meeting for additions and changes before being approved by the groups at the September ASC meeting.

Financial Policy – Activities Committee

- a) \$2,000.00 shall be allocated and earmarked as seed money for specific activities as specific expenses occur in priority sequence (eg: down payments for venues may be required in advance, those should take priority to secure the venue.) Any adjustments to this practice will need to meet consensus on a per-case basis.
- b) Any surplus monies leftover, after the event(s) have taken place, shall be contributed to the ASC.

Area Travel Budget

Our Area is part of a network of groups on Northern Vancouver Island & Powell River that meets monthly. Sending trusted servants from groups to the ASC is the primary way in which we support local services. Because of the geographical expanse of our area a modest fund has been established providing funds for travel to the ASC meeting, thus in keeping with this principle of support.

Purpose of Funds

The travel budget is to cover all reasonable expenses incurred, including travel and tolls. Trusted servants are encouraged to use this fund with discretion and respect for our primary purpose.

Who May Travel

Individuals who are eligible for reimbursement of expenses to and from the area are Admin or Committee facilitators 1 (one) GSR per group. Members travelling must live North of Campbell River or Powell River.

Source of Funds

- a) two hundred dollars (\$200) per month will be used to pay for all reasonable expenses incurred for area travel.
- b) A vehicle expense of .40 (forty cents) per km will be paid to and from the ASC. Members travelling from Powell River will have ferry fares covered. Vehicle expense does not cover the ferry crossing.

Regional Travel Budget

Our Area is part of a network in British Columbia that meets on a quarterly basis to form the BC Regional Service Committee (“Regional”). Sending trusted servants from Area to the Regional is a primary way in which we support the next level of service, thus in keeping with this principle of support. Trusted servants that are funded to attend Regional are expected to attend regional subcommittee meetings as part of that support. As well, such trusted servants have a responsibility to ensure that information from the Region is reported back to the Area table. The following procedures will govern decisions regarding the travel budget.

Purpose of Funds

The travel budget is to cover all reasonable expenses incurred, including travel, tolls, meals and accommodation. Trusted servants are encouraged to use this fund with discretion and respect for our primary purpose.

Who May Travel

Individuals who are eligible for reimbursement of expenses from the travel budget are the Regional Committee Members (RCM 1 and RCM 2) and one representative per year (usually the Facilitator) of each subcommittee.

Source of Funds

- a) seven hundred dollars (\$700) per quarter will be used to pay for all reasonable expenses incurred for regional travel.
- b) A vehicle expense will be paid to and from the BCRSC at the rate of 40 cents (\$0.40) per kilometer traveled not including ferry crossings.

Procedure for Requesting Funds

- a) All interested trusted servants (within the limits set out in this section) shall provide a written budget to the ASC treasurer itemizing expected expenses no later than seven days prior to the Area meeting that immediately precedes the regional meeting for which travel is required. The treasurer may contact trusted servants and suggest revisions to the budget if cost-effectiveness could be increased.
- b) The treasurer will review the budgets in the context of funds available in the regional travel allotment and will make a recommendation for full or partial coverage of the monies requested to Area.
- c) In the event that sufficient funds are available for all trusted servants who wish to travel, this recommendation will be accepted if the Area committee is in favour of a proposal to accept the treasurer's report.
- d) In the event that insufficient funds are available for all trusted servants who wish to travel, the treasurer may make a recommendation or may ask for direction from the Area committee in determining how the available money should be allocated and if excess funding should be provided above and beyond the quarterly travel budget. A proposal is required to finalize the group's decision.
- e) Cheques for travel expenses will be issued prior to the regional meeting and receipts must be submitted at the next Area meeting. If additional funds are required for unexpected expenses, receipts must be submitted to the next Area meeting and a proposal will be required for reimbursement. If a trusted servant does not spend the full amount requested in the budget, excess funds must be returned to Area.
- f) Trusted servants who wish to travel but do not submit a budget within the given time frame will not be provided with funds to travel. Trusted servants who do not submit a budget and thus do not receive funds from the Area but do travel to the regional meeting may not be eligible for reimbursement for our primary purpose.

Financial Audit

Purpose

A financial review is a tool to prevent a minor error from becoming a major one.

Timing

This may be done at any time, to provide support and guidance to those in positions that handle money.

It is recommended that 72 hours notice is given before the financial review.

Financial reviews should not be predictable but should be varied as to time and place.

Assignment of Officers

Three ASC members to include at least 1 admin, 1 subcommittee and 2 GSR's to conduct any financial review.

Those conducting the financial review must take physical possession of all records, statements, inventory and petty cash from the treasurer or other responsible trusted servant.

The treasurer or responsible trusted servant should be available to the review subcommittee in order to assist and answer questions if necessary.

Consensus Based Decision Making

Consensus Based Decision Making is used wherever possible.

Criteria and Design for Consensus Based Decision Making (CBDM):

The Consensus Based Decision Making (CBDM) Model is designed to foster unity amongst the ASC service body, when making decisions upon proposals. Proposals may already be prepared in advance to bring forth to the Area body (eg: Motions/Proposals stage of the agenda,) or proposals may form out of a group conscience during the Open Discussion/New Business stage of the agenda.

Although the Facilitator has full discretion to prioritize proposals and topics on the table (eg: financial-impacting or time-sensitive ones first,) it is usually beneficial to deal with them as they present themselves, so that the continual flow of ideas and “mental frame of reference” is not interrupted. It can be hard to retain and re-visit these ideas at a later time, and can actually consume more time in the long run.

LEVEL ONE:

Proposal or item is presented with budget implication if any; any clarification needed is provided, short discussion period if warranted **Facilitator asks for consensus.** Does item receive 100% approval or rejection? If 100% approval, proposal moves forward, if 100% rejection, discussion ends, record the results in the minutes. If item does not receive 100% in either go to **LEVEL TWO?**

LEVEL TWO:

Facilitator facilitates consensus building. More information is provided, with full intent for proposal. A brief break may be necessary. Discussion or small group discussion may be warranted. **Facilitator asks for consensus.** Does item receive 100% approval or rejection? If 100% approval, proposal moves forward, if 100% rejection, discussion ends, record the results in the minutes. If item does not receive 100% in either go to **LEVEL THREE?**

LEVEL THREE:

Straw Poll is taken also asks what is needed for a compromise.

If 80% in favour/20% opposed: listen to the minority point of view or have small group discussion; discuss to reach consensus. Accept the proposal as proposed. We use 85 percent consensus. Stand asides are not counted agreeing to the proposal or discussion item.

Delay the decision to the next meeting or specified time, doing one of the following:

- Form a workgroup or task
- seek more information to present at the following meeting
- Send back to the Groups/workgroup

Stand Aside: When a concern has been fully discussed and cannot be resolved, the person with the concern is willing to stand aside: that is, acknowledge that the concern still exists, but allow the proposal to move forward in the spirit of group conscience and unity.

Block: A blocking concern must be based on a generally recognized principle, not a personal preference, or it must be against the entire group’s well being or a tradition violation. Before a concern is considered to be blocking, the group must have already accepted the validity of the concern and a reasonable attempt must have been made to resolve it. If legitimate concerns remain unresolved and the person has not agreed to stand aside, consensus is blocked. A block is generally a guideline, tradition or concept violations

Note: *With such a small number of participants in this area, the Chairperson shall be aware of a high number of stand asides as an indication for discussion to continue.*
