## Best Practices for Virtual NA Meetings – Draft for review

September 2021

This document is the second draft of a new piece of service material for virtual meetings.

The Local Service Toolbox Project has two current focuses: 1. best practices for virtual meetings and 2. how virtual meetings are connecting to the wider world of NA, including service delivery. This draft is related to the first focus.

We have posted a short survey to gather input on this draft and posted it here [www.na.org/toolbox](http://www.na.org/toolbox) until the end of November, 2021.

This draft contains guidance on a range of topics related to virtual meetings that we believe the Fellowship is looking for shared experience about. Please view what follows as a work in progress. Your input will continue to improve this draft.

### Contents

- Introduction
- Choosing a meeting platform
- Listing meeting information
- Meeting etiquette
- Tips for attending a virtual meeting
- Keeping a virtual meeting secure and dealing with disruption
- Maintaining personal anonymity
- Welcoming newcomers and helping them get connected
- Sponsorship
- Signing meeting attendance cards
- Making meetings accessible for members with additional needs
- Practicing the Seventh Tradition
- Distributing literature and keytags
- Additional service positions for virtual meetings
- Additional suggestions for virtual meetings
- Hybrid meetings

### Introduction

This pamphlet uses the term “virtual meetings” to mean any NA meeting that is not held in person. This includes meetings that meet on the internet and via phones. Virtual meetings can be offered by NA groups, by service bodies, and may also occur informally between friends.

Virtual meetings have been in existence for many years in NA. Before the creation of the internet, meetings took place over the phone and through the mail. Online platforms have expanded the availability of virtual meetings and allowed for a more conventional structure, but the basic function of providing meeting information to members, whether geographically isolated or not, remains the dominant language of NA.

- Criamos uma página com recursos para reuniões virtuais em [www.na.org/virtual](http://www.na.org/virtual) e continuamos a coletar e postar recursos locais nela, e na página de recursos locais, [www.na.org/localresources](http://www.na.org/localresources), incluindo uma nova seção chamada Lidando com comportamentos predatórios, perturbadores e violentos.
- Responder a pedidos de participação virtual em estruturas de serviço e eventos por todo o mundo.

**Não se esqueça que o *Relatório Anual* é um registro mais abrangente das nossas atividades para qualquer ano fiscal específico: [www.na.org/ar](http://www.na.org/ar).**

# *financial* **Goal**

**If 10,000 members contributed \$10/month and another 10,000 contributed \$20/month, we would almost reach our goal of being self-supporting.**
