

ZONES OF NA

Notes: For the purposes of this graph, the 19,500 meetings in Iran have not been included in the Asia Pacific Forum. Four unseated Brazilian Regions, that participate in 2 zones, were included in the Brazilian Zone only.

Frequency & Duration of Zonal Meetings

Role of Zones Workshop

Members in the Roles of Zones workshops were asked to rank each service with a "1" for lowest and "5" for highest. All the scores were added for a total in each category.

How important do you think this is as a possible role for your zone? 

How well does your zone do with this role now?
