**Subject:** CAR survey deadline, Service Day

Hello,

Don't forget to fill out the *CAR* survey posted in eight languages on <a href="www.na.org/survey">www.na.org/survey</a> before 1 April! Your responses will help conference participants set work priorities for the conference cylce. It's important!

Service Day is 1 May. You can find a flyer posted in seven languages here <a href="https://www.na.org/nawsevents">www.na.org/nawsevents</a>. There's still time to plan a celebration of service in your NA community.

Yours in service,

World Board
