

Regional and Zonal Seating Chronology for the WSC

To the best of our knowledge, the following regions began participation or were seated at WSC in the year listed. If you have more accurate information, please let us know.

From 1976-2000 newly seated regions were approved for immediate participation. At WSC 2000, with the adoption of seating criteria, regions began their participation after the close of the WSC at which they were seated.
