Hello,

It's a holiday week for some of you, and we'd like to suggest spending some of that spare time filling out some surveys! Seriously, as we emailed last week, we really need your help filling out the [Membership Survey](#) and encouraging others to do so. We've posted two other new surveys described below. You can find them all on [our survey page](#).

## WCNA Survey

More than 18,000 members, including newcomers, registered for WCNA 38. It was so great! There were a few hitches here and there, but overall reports indicate that people had a wonderful time. We want to remember the good parts and learn from the rest.

With WCNA 38 behind us, it's time for the World Board to look toward the future of the World Convention. Rising costs on nearly every front in every part of the world push us to consider what is possible, practical, and prudent going forward. We would like to get more perspective from the Fellowship. So—[there's a survey!](#) Whether or not you attended, we have questions, and we want to know more about your experience and your decisions before we start planning the next WCNA.

## WCNA Merch!

Following from that, there's a great sale on WCNA merchandise! All kinds of cool stuff is available at bargain prices. Get it while it lasts at [wcnashop.com](#). If you buy three items, you'll receive the lowest price item for free (except for medallions, pins, and microfiber cloths, which have their own separate discounts).

## Virtual Service Basics Outline and Survey

We've been working on resources for virtual services, including virtual service meetings, online meetings and areas participating in the service system, virtual workshops and trainings, etc. The first step we are taking is to develop Virtual Service Basics. We urge anyone with experience or interest to check out the draft outline and fill out the input form, both of which are on the [Local Service Toolbox](#) project page.

## Contribute

Many of you are already signed up for recurring contributions or contribute regularly, and we thank you! Voluntary direct contributions take the pressure off literature sales to keep our Fellowship alive and free, and allow us to plan more reliably for the future.

Did you know that you can contribute via [our webpage](#) or you can text to give? Text "Share" to 801801.

Your time and talent, your voice and vision—and your financial contributions—are all part of making NA available to the addict who still suffers, in your neighborhood and around the world. Thank you so much!

Gratefully,

World Board

All NAWS subscriptions are free. We are able to provide this service due, in part, to the generous contributions of our members. If you are a member, you can make a contribution here:
