

# Fellowship Development – *It's not just something that happens "somewhere else"*

A few examples of Fellowship Development:

**Outreach**

**Translations**

**Cultural  
barriers**

**Legal  
obstacles**

**New NA  
community  
somewhere  
else**

1. Thinking of all the examples of the ways that Fellowship development can happen, what's the biggest challenge where you live?

2. What's one thing you've done, or could do, to help overcome those challenges?
