Greetings,

There's always so much to report these days! Don't blink – we're working hard, and there are many opportunities for you to get involved!

The [membership survey](#) is almost over. Friday, 31 January, is your last day to stand up and be counted. We can't express how important this is—in our PR efforts, the Membership Survey Pamphlet is one of the pieces professionals pick up most often. It tells them who we are, and why they should refer addicts to us. This data also helps researchers demonstrate what we know from experience: NA works! We know you already responded. Now—tell your friends!

Two projects that passed at WSC 2023 have material ready for your review. Your input is vital to making them the best they can be.

- IP #21 is posted for review and input on [the project page](#); the input form is [here](#).
- The first of three components of an H&I Basics revision is posted [here](#). In addition to this piece on corrections, we plan to have a piece on treatment and one on committees. Send input on the corrections draft to [pr@na.org](mailto:pr@na.org)

There are a number of [open webinars](#) coming up. The first, on 15 March, is an H&I event. There will be webinars on each of the Issue Discussion Topics (IDTs) as well:

- 15 March, 10 am Pacific Daylight Time. Note the start time is an hour earlier than usual for an open webinar. Webinar ID: 818 2936 7249 Passcode: 1953
- In honor of Service Day, 3 May 2025, we're having an open webinar on the Reimagining and Revitalizing Service Committees IDT.

- On 12 July, an open webinar, Dealing with Disruptive and Predatory Behavior IDT will give interested members insights to help solve problems locally.
- 6 September 2025 is Unity Day, and announcements are coming about the events planned for this special day—including sessions on the remaining IDTs and so much more. Save the date!
- Don't forget that workshop material and input forms for all of the IDTs are posted on [na.org](http://na.org).

The [Interim WSC](#) will be online 28 February-1 March. You can find an up-to-date motion list [here](#). We will update it as amendments are finalized. Conference Participants will be on Zoom, and there will also be a Mixlr link open to anyone who would like to listen posted on [the conference page](#). Note: Most of the sessions on 1 March will be small-group discussion, and we do not have the capacity to stream small group discussions.

Oh my goodness have you seen that sale? WCNA merch is on super clearance at [wcnashop.com](http://wcnashop.com) while it lasts!

Yours in service,

World Board
