

## For Other Service Bodies

*NA's success as a Fellowship since its inception has hinged on this fact: Our best hope for recovery from addiction is banding together to help each other.*  
- *Spiritual Principle A Day, July 7th*

Whether you serve on a convention committee such as ROR or KACNA, or another KANA subcommittee such as H&I, KANA Activities Subcommittee is open to collaboration on events that help out your subcommittee's purpose while carrying a clear message of Narcotics Anonymous.

We will also do our best to encourage our subcommittee to help volunteer as needed on your subcommittees.

Some ideas could include:

## For Members

*I will challenge myself to look at life and recovery with curiosity and enjoy a sense of wonder wherever I may find it. - Spiritual Principle A Day, January 1st*

We didn't get clean just to become glum and miserable.

In NA, we know how to throw a good, clean party! Visit the [naknoxville.org](http://naknoxville.org) website to see upcoming clean events put on by home groups, the Knoxville Area Activities Subcommittee, Recovery on the Ridge (ROR), Knoxville Area Convention of Narcotics Anonymous (KACNA), and more!

You may have heard the phrase, **“no addict turned away!”** - in Knoxville, this means that no addict will be turned away at the door, regardless of any admission cost or cost for food. Come hungry and looking for a good time, and no questions asked, you'll be fed and warmly welcomed in with the rest of us.
