Hello,

[PR Week](#) is around the corner! Has your PR team planned an event or activity? We love to hear about gratitude in action around our Fellowship. Make a plan to reach out, start a poster/QR card campaign, or follow up with your local contacts. Don't have a plan? Schedule a PR Week brainstorming session! Don't forget to share your events at PR@na.org.

Our [12 July Webinar](#) will address Disruptive and Predatory behavior, using the Issue Discussion Topic session profile as a frame to bring together experience, strength, and hope from members with new approaches to an old problem.

We are getting excited about [World Unity Day](#)! For 24 full hours beginning 9pm Pacific Time 5 September 2025, events, workshops, games, videos, speakers and more will be hosted by your World Board and NA zones around the world! Watch this space for more information—and don't forget to [send us photos](#) from NA events and celebrations in your communities so we can include them in our videos and PowerPoints.

We have made some improvements to our [contributions page](#). The new interface allows us to track contributions in a simple, clear, and secure system so member, group, and service body or event contributions are easier to record and report.

The options for “NA Groups and Service Bodies” have changed. There are options to make contributions on behalf of NA Groups (including virtual meetings and meetings with no region affiliation), Areas, Regions, and Zones.

We accept contributions in your local currency, through recurring or one-time contributions, and in honor or memory of NA members you wish to acknowledge.

Please reach out to us at contributionquestions@na.org if you have any questions, or if you have a recurring contribution set up through the old NAWS user portal. We can cancel that recurring contribution on your behalf so you may sign up for the appropriate option on the new page without being double-billed. We are here to help and appreciate your generosity in helping us carry the NA message worldwide.

Thank you for all you do to carry the message, at home and around the world. We know it's the time and energy our members invest in the suffering addict that matters most. The resources that support that work flow through our service system, and the contributions of members like you keep the doors open and allow us to carry forward our Vision “that every addict in the world has the chance to experience our message in their own language and culture and find the opportunity for a new way of life.”

With gratitude,

World Board
