Contributions page improvements have been made. The new interface allows us to track contributions in a simple, clear, and secure system so member, group, and service body contributions are easier to record and report.

Continue to send us photos AND videos! With World Unity Day coming up, we would like to provide content from around the world. Send us photos and short videos on these topics:
- Show and Tell – Show us your meeting rooms/homegroups/where you do stepwork/where you meet sponsees
- Does your NA community play football, or sit at a campfire, or gather at a tea shop? Whatever shows your NA "spot," your recovery, your community
- Or answer these questions: Where and when did you get clean? What was one thing that made you fall in love with NA? What is your vision for our future? What do you want NA to look like in 20 years–in your community, or worldwide? What makes NA feel like home to you? What was one thing someone did that made you feel like you could stay? Tell us about someone who made a difference in your recovery.

You can use the upload link on the convention page or here. Please be sure you created the images or have approval to share them—and that everyone in the photos/videos has given permission as well.

"When We Share" presentation at WCNA 38 was about committing to self-support. Please go to na.org/give to set up recurring contributions. This video helps describe where your contribution goes.
