Subject: Unity Day -- Send us your stuff!

Hello,

Preparations for World Unity Day on 5–6 September are underway, and we are so excited! For the first time, we are hosting 24 hours of content from around the world. There will be workshops, videos, shared experience, and more—including stuff you create!

We have a few ideas for photos and short videos we'd like to see from you.

One is “Show and Tell.” We'd love to see your meeting room! You can send a photo, or if your homegroup or event wants to send a shout-out (and everyone is willing to be shared during the web meeting), send a video saying hi to the wide world of NA. Do you have a special spot where you do stepwork, or where you meet with sponsees? Is your Basic Text or *Step Working Guides* all marked up with highlighter and notes? Send us a picture! Does your NA community play football, or sit at a campfire, or gather at a tea shop? Whatever shows your NA “spot,” your recovery, your community—show and tell a little about what we're seeing.

Another is a short (1-2 minute) video answering a question:

- Where and when did you get clean? What was one thing that made you fall in love with NA – either when you first got here or more recently?
- What is your vision for our future? What do you want NA to look like in 20 years—in your community, or worldwide?

- What makes NA feel like home to you? What was one thing someone did that made you feel like you could stay?
- Tell us about someone who made a difference in your recovery (please don't use their last name).

You can record on your phone or whatever works for you—but the file needs to be saved as .mov or .wma. **Send your photos and videos [here](#).**

More information about the 24-hour virtual extravaganza will be available in eblasts and on [the website](#) as it comes together. Meanwhile, think about what images or video you want to contribute to send the Fellowship some love!

We look forward to seeing you on 5 and 6 September!

With gratitude,

World Board
