**Continue to send us photos AND videos!** We really like to have photos from different NA events from around the world, especially service-related functions. It helps to keep a record of these events, and they get used for FD presentations. You can use the upload link [na.org/wcna](https://na.org/wcna) or [here](#). Please be sure you created the images or have approval to share them—and that everyone in the photos/videos has given permission as well.
