Contributions page improvements have been made. The new interface allows us to track contributions in a simple, clear, and secure system so member, group, and service body contributions are easier to record and report.

Continue to send us photos AND videos! We really like to have photos from different NA events from around the world, especially service-related functions. It helps to keep a record of these events, and they get used for FD presentations. You can use the upload link na.org/wcna or [here](#). Please be sure you created the images or have approval to share them—and that everyone in the photos/videos has given permission as well.
