In Memoriam

Since October 2022, Donnell Buckley worked as a Database Assistant on the IT team. She was a great support with the 2023 WSC and WCNA 38, and helped transition the meeting locator on na.org to local help-lines and websites. She lived each day to the fullest up until her untimely passing from cancer in January 2026. We miss her brilliant smile, her sense of humor, her enthusiasm, and her commitment to NA.

Staff and Offices

Your World Service Office (WSO)

Narcotics Anonymous World Services in Chatsworth, California, is the central resource hub for NA members, groups, and service bodies worldwide. The executive and administrative staff work with the World Board to carry out Conference-approved projects, coordinate workgroups, and support the World Convention. They communicate with members and the public through various periodicals, reports, webinars, and emails. The California office also produces and distributes NA literature, protects the Fellowship’s copyrights and trademarks, and maintains our website, na.org.

Branch Offices

WSO–Europe distributes literature in 35 languages, including no-cost literature shipments to emerging NA communities in Eastern Europe and elsewhere. The office serves members, groups, and institutions seeking information about NA, and supports the European Delegates Meeting. We are glad to say that with Stéphane Dougoud as our new European Logistics Coordinator, WSO–E is stable once more. We have resumed onsite shipping and are looking for a larger location.

Siamak Khajeian manages the Iranian branch of the World Service Office. He and his staff—Mohammad Ahmari, Shahram Chegini, Nemat Hosseini, Farhad Poorsohi, and Saeed Khosravi—support NA’s largest community and its 20,000+ meetings. WSO–Iran produces and distributes NA literature in Farsi. They also assist in the translation of documents and support many of the essential services offered by the region.

Distribution Centers

Two distribution centers—one in Mississauga, Ontario, Canada, and the other in Bangalore, India—play vital roles in furthering our vision. Pramila Dias distributes literature in twelve languages throughout South Asia from the Bangalore center. Brian and Ilda Sullivan continue to staff the Mississauga center that serves the literature needs of Canadian NA communities.

This was also the last full fiscal year under the executive management of Anthony Edmonson. After 39 years of service to NAWS, Anthony has retired. We are so grateful for the steadfast leadership and wise decision making Anthony provided. The transition from Anthony to Becky Meyer as Executive Director has been slow and deliberative to ensure that the handoff would be smooth. Anthony will continue to consult, advise, and look sternly over his glasses from his new and distant perch. Words can never express our gratitude for Anthony’s many years of hard work and commitment to our greater good. *Guiding Principles* tells us, “Service is any action through which we give of ourselves, and every service position is a stewardship of trust.” Anthony was a great steward of our resources—financial, human, and spiritual. He is leaving us better than he found us.
