Subject: New Postings for your reading pleasure! Annual Report, Conference Report, WSC hookups

Greetings,

Today's serving of alphabet soup includes *AR*, *CR*, *WSC* – and a healthy spoonful of surrender as we get our ducks in a row for the upcoming World Service Conference.

We are so happy to announce that the 2025 [Annual Report](#) has been posted.

The [Conference Report](#) that outlines the content of the WSC week has been up for a week or so, but the schedule has been tweaked a little since its first posting. You can find the most up-to-date schedule toward the top of the [conference page](#). We will post links to the audio stream here as well when the conference begins. The posted schedule is color-coded so those of you following along at home can see when sessions will be audio-livestreamed.

[Speaker meetings and history presentations](#) will be available via Zoom—even if you're not a service nerd, these are super interesting! The downloadable flyer is on the same page.

We hope you'll join us online for some of the festivities.

In loving service,

World Board
