Subject: Group Project Open Webinar

Narcotics Anonymous
World Services

Greetings all!

We are so excited for the upcoming webinar on the Group Project on **21 November** at 11:00 AM PST (19:00 GMT).

In this 90-minute web event we will tell you all about what's happening with the effort to revise *The Group Booklet* (Including IP #2 *The Group*), and the Group sections of *A Guide to Local Services in NA*. One thing we learned early in this is that many members haven't read any of this material—and if they had, it was a long time ago. A lot of it is outdated, and perhaps more importantly it's missing all we've learned in the decades (!) since the material was written or last revised.

While there may be some very limited time for comments at the end, we invite everyone to send questions **in advance** to wb@na.org. Please send your questions by **Thursday, 19 November**. This will help to ensure that we cover as many of your questions and concerns as possible in the time available. We tried this approach at the last open webinar and it was very helpful.

You can find more information on the webinar page or click here to join the Zoom meeting. If you head over to the group project page you'll find background information and guidance on how to get involved.

We will have Portuguese and Spanish interpretation provided. Please reach out if there is interest in other language interpretation.

We hope to see you on Saturday, 21 November!

In loving service,

World Board
